Commercial Umbrella License for Boomville

This extended license package includes coverage for any and all uses of the Boomville digital typeface.

Number of Users

You may distribute the font to 1–5 devices.

Third Parties

You may provide the font to a graphic designer, web designer, software designer, printer or other service bureau that is working on your behalf only if they agree to use the font exclusively for your work, agree to the terms of this license, and retain no copies of the font on completion of the work. You may not provide the font or make it accessible to any other third parties.

Embedding

You may embed the licensed fonts into any document you send to third parties. You may embed the licensed fonts for use on a web site using the format of your choice. You may embed the licensed fonts in software or install them on a server provided that the end user cannot use the fonts to create something. You can embed the fonts in any e-book format.

Modifications

You may import characters from the licensed font as graphical objects into a drawing program and modify such graphical objects. You may convert the file to any format as long as it is not redistributed. The converted font will be covered by the terms of this license agreement. The licensed fonts may be encrypted, converted or otherwise modified so that they may be embedded in software.

Activation

This license does not take effect until payment is processed.
